

Agent Access - Resources

Do you have any branded paperwork? Forms with the brokerage logo? or Documents that you require for every transaction? Isn't it a hassle to make those available to your agents?

Broker Office Solutions makes it easy for you to to make those type of documents available to your agents. Resources is a section of the system that allows you to upload these documents in a secure way in PDF format so your agents can view or download them at their liesure any time day or night. Company logos can also be uploaded and downloaded using the zip format.
